RE: Recommendation Letter For Haylemichael Tsega

I am pleased to confirm details of the internship with CodeJIKA as below:

Job Title: Code Coach

Start Date: 08 November 2022

End Date: 11 January 2023

The position required teaching high school students web development using HTML, CSS and Javascript. He was in charge of scheduling coding classes, creating and managing coding clubs. Success was dependent on his coding knowledge, ability to teach a new skill to a group of high school students.

We wish him all the best in his future endeavors, if you have any questions please feel free to contact me on the contact information down below.

CodeJIKA.org is a vocational coding program for high-schools. Our mission is to create awesome experiences, cool online tools and fun curriculum to support the youth of today and leaders of tomorrow. This includes coding clubs, challenges and "Coding League".

Kind Regards,

Rachael Pahwaringira - Senior Program's manager
